

CORBITT ESTATES COMMUNITY

NEIGHBORHOOD DISCOUNT TRASH PROGRAM

Evergreen Waste Services would like to thank you for entrusting us to service your community. As a locally owned company, our goal at Evergreen is to provide your community with the best waste collection services. Through this program, we will provide your community with a discounted rate based on the percentage of participation.

Once the community reaches 75% participation, the entire community will receive the discounted rate, including the existing customers. Your community needs 7 additional homes to qualify for the neighborhood discount. To promote participation and reach the goal of 75% the new customers can sign up at the rate listed below. When the community reaches 75% participation, the new and existing customers will see the discount reflected on their next generated bill. Also, when the community reaches 90% and 100% participation the rates will be lowered again.

The rate for the NEW customers UNTIL 75% participation reached:

1. \$35/Monthly (\$105 Quarterly) - Trash & Recycling.
2. \$40/Monthly (\$120 Quarterly) – Trash, Recycling & Yard Waste (Includes 1 Christmas tree per year & a free yard waste bin).
